## CHAIR

Another year has passed and it has again been a year of progress and change at Onemda.

The National Disability Insurance Scheme (NDIS) brings significant change in the way that Onemda offers services and the model under which Onemda operates in the future. In response to this, the Onemda Board has ensured that the organisation's business and governance structures will best meet the challenges of the NDIS. Board members sit on a range of sub-committees which meet regularly and report back to the full Board on progress and development within their various portfolios.

The Board has kept up to date with the various NDIS trial sites and in particular, the Barwon region in Victoria, to keep abreast of the developments associated with the NDIS. We also engaged the services of Seward Dawson who conducted an NDIS Adaptation Review for the organisation to help us in our future financial preparations of the organisation.

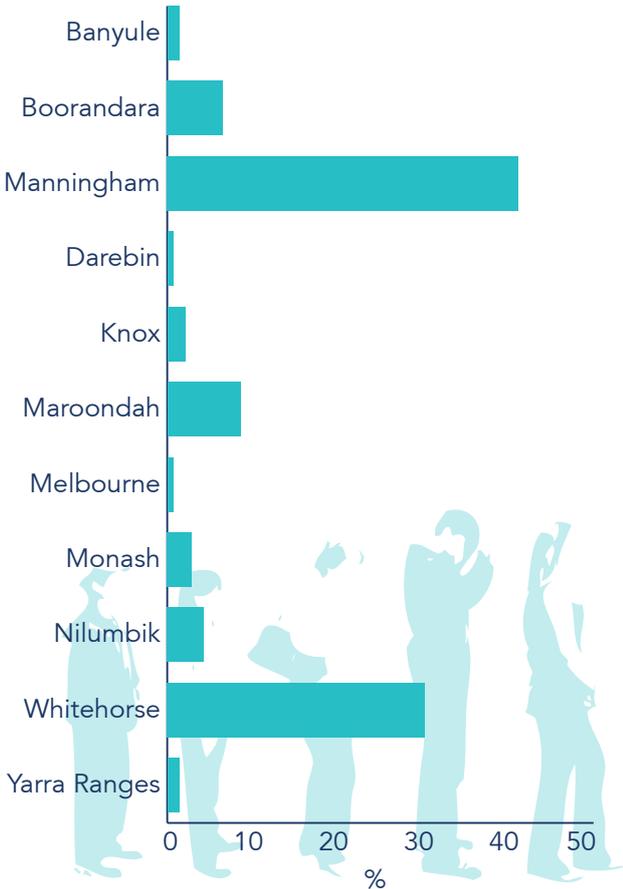

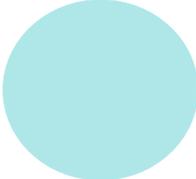

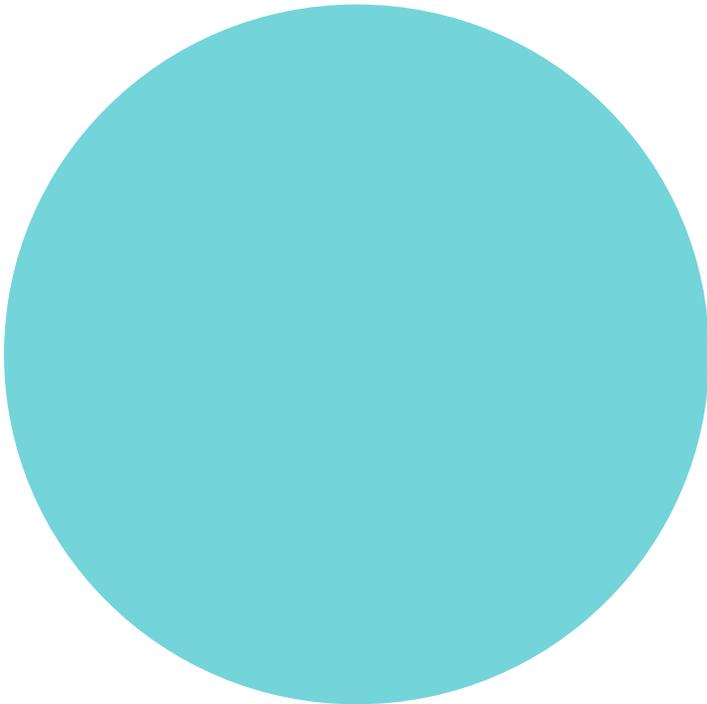

The Board has overseen the management of our two external campuses, Leap at the Ted Ajani Community Hub and the newly acquired site at Manningham MC2, as well as successfully operating services from the newly completed building extensions at Andersons Creek Road.

A new task for the Board this year has been to implement and manage "The Dowell Fellowship". This Fellowship was started from a bequeath provided by the late Dr Norman Dowell, who together with his wife, Thelma, were instrumental in the establishment of Onemda. The aim of the Fellowship is to provide financial support for participants or staff associated with Onemda to pursue excellence in the fields of leadership, learning, innovation and best practice.

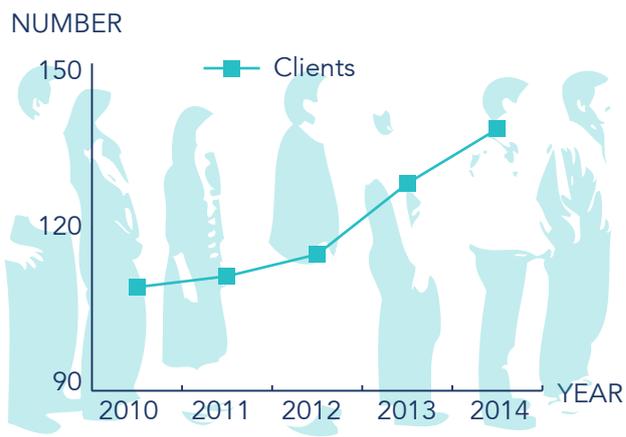

Finally I'd like to thank all Board members for their contributions to a very full and busy year. I express my appreciation to retiring members Tony DeLuca, Heather Maunder and Julie Burton and thank them for accepting nomination for a further term. Onemda is also very privileged to have a talented management team headed up by Simon, Janet and Brooke. Thanks to the management team and all the Onemda staff for another excellent year.

The Board looks forward to progressing the organisation in the year ahead.

**Geoff Kidd**

**WHERE WE COME FROM & HOW WE'VE GROWN**

"I just love it, yeah!"

### AILEEN'S STORY

Hi, my name is Aileen and I work at Indulgence Café at The Pines Shopping Centre 3 days a week.

I go to Onemda Leap for the other 2 days. I started working at Indulgency Café in a work skills program. I liked it very much because the staff are friendly to me and I like the jobs that I do at Indulgence. They liked the way I worked at the café so much that they asked me if I wanted to work there 15 hours a week for 3 days. I said yes and I have been working at the café for 4 months now and hopefully I will work there full time one day.

### LINDY'S STORY

For the past seven years Lindy has been volunteering at the Collingwood Children's Farm.

Lindy and the group are responsible for the cleaning and maintenance of the pig enclosure at the farm, which involves shovelling hay, hosing the stalls, filling the wallows, creating fresh bedding and moving the pigs. Over the years Lindy has formed strong friendships with fellow volunteers and the staff at the Farm. Being one of the original participants in the program Lindy has helped mentor newer participants into the program, and now delights in teaching others how to care for the pigs.

## CHIEF EXECUTIVE OFFICER

The 2013/14 financial year has been another productive and successful year for Onemda with many amazing achievements being accomplished for our participants and their families and carers.

In September, Onemda was successful in gaining certification with the DHS and Disability Service Standards after undergoing the full stage II audit. Onemda performed particularly well in the audit and this was best described in the auditor's executive summary where they state "Onemda is a highly valued service that has the support of people who access it and their families/ carers. Onemda is an example of an organisation that actively engages in the process of on-going improvement and clearly the organisation is continuing to improve. I would like to acknowledge the diligent effort conducted by the Quality, Innovation and Improvement sub-committee and in particular Kellie Prvan for her conscientiousness and hard work in ensuring such a positive result.

We finally commenced operating from our newly extended facilities in group 1 and 6. These state of the art facilities have enabled our staff to deliver highly responsive, safer and innovative programs and activities to our participants. In addition to these works, our "Interactive Sensory Garden" was opened in November. The garden was established in honour of the tireless efforts and valuable contributions of the pioneer families and friends of Onemda. A large gathering of friends and families attended the event and we had the good fortune of having Thelma Dowell and Margaret Rigby to officially open the garden.

Onemda is excited to announce that we now have an additional satellite program office operating from the Manningham MC2 community hub. This new premise provides an ideal location to deliver office skill development and pre-vocational training along with greater access and integration to the various arts facilities, library and community groups who reside in the complex. I thank the cooperation and support from the Department of Human Services and Manningham Council to enable Onemda to have a presence in this vibrant and inclusive community hub.

As the disability sector moves closer to operating under the NDIS, Onemda continues to invest heavily in ensuring all aspects of the organisation are best prepared when full national rollout commences from 2016. This has involved extensive environmental scanning, a strategic review and key business planning and re-structuring in order for the Onemda Board and management team to plan and operate an efficient and effective service model aimed at Onemda's long term sustainability and ability to continue to deliver high quality outcomes for our participants.

As Onemda continues to grow and diversify we have re-structured accordingly with the introduction of the Service Provision Manager role, which Brooke Andrews has filled after returning from maternity leave. Leanne Cormick has also been appointed to the important Intake and Transitions Coordinator position. Both roles have provided essential additional support to the increasing demands of Onemda's growing needs.

On behalf of the Onemda Board, I acknowledge and thank the valuable contribution and partnership of our funding bodies, Department of Human Services, Manningham City Council and Adult, Community and Further Education. I also would like to thank the many local community groups and businesses for their on-going partnership and the generous philanthropic support Onemda received throughout the year. This has enabled Onemda to continue to deliver high quality, innovative and responsive programs and activities which in turn supports our participants to gain skills, build experiences and enrich their lives.

Finally, I thank the dedicated work of the Onemda Board wonderfully lead by our chair, Geoff Kidd. Throughout the year the Board has governed Onemda professionally, caringly and mindfully and have been a great support to the management team. I also take this opportunity to proudly acknowledge the contributions and diligence of all our staff, students and volunteers who continue to ensure Onemda delivers high quality services to our participants and their families and carers.

**Simon Lewis**

*"Onemda is a warm and friendly place from the front door to the individual rooms. Staff communicate!"*

## SERVICE PROVISION MANAGER

This year has seen the continued development of a range of innovative program opportunities for participants to meet their individual needs, goals and aspirations. Partnerships with local sporting clubs, community groups, employment and education providers have enhanced the activities that are offered to participants.

As part of the celebrations of International Day of People with a Disability in December, the talented actors in our drama group along with our partners at EDAR and Araluen, performed at the Doncaster Playhouse. It was another memorable performance with the group showcasing their work over the previous 12 months. Other performance arts achievements include the successful submission to Manningham Council by our Music Coordinator, Peter de Weijer, of 'Rocking the Barriers of Community'. This project has enabled Steel Dragon to increase their presence within the community and purchase several pieces of equipment.

Our Healthy Living cluster of programs, continue to be in high demand with a number of partnerships with local sporting clubs being of immense value to participants. Our continued relationship with the Doncaster Rovers Soccer Club and East Doncaster Cricket Club enables us to offer programs to participants under the guidance of professional coaches. We are also fortunate to have the expertise of Sabine Withers of Nia Australia, who runs an expressive sensory based session that creates movement and body awareness.

Our educational and pathway programs remain a strong focus for many of our participants and their families/carers. We have continued our relationship with KYM training services to co-deliver the Certificate 1 in Work Education and are excited to be expanding course options to include hospitality in the future. Our connection with local business for both supported and open employment has meant that participants have a range of options when interested in pursuing work placements. Partnerships with Coles, Woolworths, Mitre 10, Bulleen Library, Indulgence Café at the Pines, the Manningham Centre, Leader Newspaper delivery, Meals on Wheels, Collingwood Farm, Lend a Hand, Nadrasca Industries and Waverly Industries have ensured we continue to offer participants a range of options to meet their employment interests.

The Onemda Council continues to play an active and vital role with the operation and direction of the organisation. They have continued to develop a range of easy-to-read documents including an emergency evacuation poster. Six of our Onemda Council members attended VALID's 'Having a Say' Conference. This is a 3 day event held in Geelong, aimed at assisting people with disabilities to advocate for their rights. By all accounts the group had a productive and enjoyable time, concluding the evening with a coffee and a chat. I would like to acknowledge and thank the Onemda Council members for their dedication and hard work in ensuring that all participants at Onemda are able to raise suggestions and issues that improve our service provision.

The Onemda My Plan was introduced in 2014 after an extensive review of our planning process in 2013. The planning tool incorporates a number of new initiatives, including sections dedicated to discussing various elements in an individual's life as well as making goals to focus on whilst at Onemda. My Plans are reviewed on a quarterly basis in conjunction with participants to ensure that we remain focused on goals and objectives within programs.

I would like to thank our many community partners who assist us in delivering high quality programs. I'd like to acknowledge the support and guidance of the Onemda Board, and thank my colleagues in the management team. Finally I'd like to thank our Instructors, therapists, relief staff, volunteers and students who, with their enthusiasm, hard work and dedication ensure that our participants, families and carers are receiving a quality service.

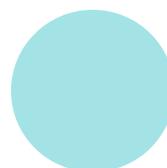

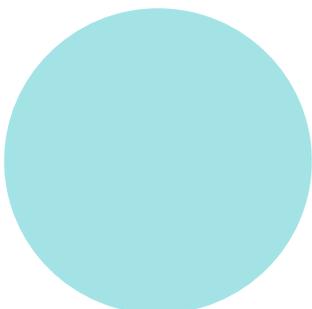

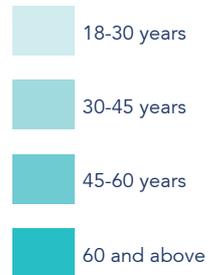

**Brooke Andrews**

## MISSION

Onemda strives to enhance the quality of life of people with an intellectual disability by providing support, experiences and interactions to develop skills and enrich lives.

## OUR AGE RANGE

## ONEMDA COUNCIL REPORT

Onemda Council has had an extremely busy and productive year. The year began with six of our Council members representing Onemda at the VALID 'Having Your Say' Conference. The participants worked hard and learned quite a bit about advocacy, while representing Onemda in a professional manner.

When the Council members returned to Onemda we began our regular project work. The projects we have completed this year include –

- The Buddy System – This system helps new participants transition to Onemda in a more relaxed and happy manner.
- Easy Read Fire Plan – The Council developed an easy to understand fire evacuation plan. This plan will ultimately make emergency procedures much clearer for our participants and enhance our safety culture.
- What Makes a Good Program – The Council held a brainstorming session to determine what makes a program a 'good' program. This information will be used to enhance our current programs and build better programs in the future.
- Elections – The Council revised our election system. Elections will be held at a designated time each year. Four positions will come up for election each year which will ensure that 2/3 of the Council will have had experience, ensuring stability on the Council, while allowing all participants to have a chance to stand for a Council seat.
- Fun Stuff – The Council has had great fun organising social events such as discos and various fundraising events.

## STAFF MILESTONES

The most valuable resource at Onemda is its staff. We thank all staff for their contribution to Onemda and particularly recognise those who have achieved milestone anniversaries during the year.

Dennis Wallis is particularly recognised on reaching 25 years in his role as facilities and grounds maintenance.

5 years:

- Silvana Vittorio
- Andrew Piper
- Kellie Prvan

10 years:

- Peter De Weijer
- Michelle Blewett
- Steve Cassar

15 years:

- Gayle Lawler

25 years:

- Dennis Wallis

"I can talk to someone when I am worried."

## ANDREW'S STORY

In 2012 I decided to get started on my learner's permit because I was getting sick of catching buses and asking my parents to take me around. Mark Young an instructor at Onemda, kindly stepped in to help me get my learners on my Friday afternoon program, I read all of the book and did the online test, i started to get more confident and soon went for my learners test and passed with flying colours!!!

Not long after I rang up RACV driving school to see if I could get some driving lessons, they sent out a very nice Czechoslovakian man named Milos, he took me around Mooroolbark and Kilsyth and taught me all the skills that are needed to drive a car and he helped me get my hours up as well.

In 2013 I went for my hazards test at Vic roads. The test was done on the computer, the point of the test is to help drivers identify and avoid potential hazards, I successfully passed the test. As soon as I had enough hours and was confident on the road I went for my driving test, I was a bit nervous at first and didn't know what to expect on the day, the tester was very nice. I did everything he asked me to do in the end I passed which I was very happy about one of my biggest goals. Two weeks later I got myself a girlfriend which I was very happy about.

## TREASURER

I am delighted to report that Onemda has continued to excel financially and the surplus for the year ended 30th June 2014 is \$360,929. The surplus has been due to the diligent work of the CEO, Simon Lewis, the Business and Finance Manager Janet Dalton and all the support staff.

Total revenue has increased to \$4,263,955 compared to \$4,095,370 for the previous year.

Investment income is lower than the previous year. The total interest derived is \$89,519.

The Association will continue to benefit positively from its excellent financial position as evidenced from the accounts presented.

Our auditors, CHN Herold Ross and the staff have been excellent and punctual with the preparation of the Audited Financial Report.

The management team have always presented excellent reports to the Committee of Management and the Financial Sub-Committee so that timely decisions could be made by these committees.

**Anthony De Luca**

"I like the programs. I work them out with my keyworker."
