

Here's how your Daily Rates are calculated, to reflect the Group Learning & Support Services you are accessing.

Group Services operate for six hours a day and are run in terms of up to 12 weeks, called Programs of Support. These include:

- ▶ **Work Skills & Work Readiness Programs**
- ▶ **Learning Programs**
- ▶ **Independence & Wellbeing Programs**
- ▶ **Social & Recreational Programs**

Group Based Support is delivered by an educator, who supports participants to engage in educational, community, social and recreational programs.

Tailored **individualised support** is provided by an additional support person so participants can optimise their engagement in group programs. This individual support is delivered concurrently with the Group Services program and is based on each individual's needs as set out in their Onemda Individual Support Profile.

Group Services are charged at a daily rate, comprising six hours of Group Based Support, plus any Individualised Support each person requires.

What is individualised support?

Individualised support looks different for each person. It includes things like:

- ▶ Coaching in independence
- ▶ Supporting development of life skills
- ▶ Supporting engagement in programs
- ▶ Assisting with mobility & movement
- ▶ Supporting social engagement and communication
- ▶ Providing positive behaviour support
- ▶ Maintaining self care and wellbeing
- ▶ Helping facilitate liaison between external providers, carers and families

Onemda's pricing is set by the NDIS. This is set out in the **NDIS Pricing Arrangements & Price Limits** document.

If you want to know more about Onemda's programs or have any questions, visit our website at onemda.com.au or contact us at onemda@onemda.com.au or on 9842 1955.
