

Occupational Therapy

Skilled Therapists, Personalised Approach

Onemda offers a suite of Occupational Therapy services, designed to:

- ▶ **Support participation** in activities of everyday life including self-care, work, hobbies and socialising.
- ▶ **Build capacity** for daily living, including personal care, travel training and managing finances.

Our qualified team can provide:

- ▶ **Housing assessments** – including Specialist Disability Accommodation (SDA), Supported Independent Living (SIL) and Individual Living Options (ILO) assessments and home modifications.
- ▶ **Functional capacity** assessments.
- ▶ **Tailored therapy** to improve independence in daily tasks.
- ▶ Assessments and prescription of **assistive technology** or equipment
- ▶ **Complex seating** prescription – wheelchair and pressure care.

Our program is supported by Allied Health Assistants who assist in the delivery of programs, in close consultation with therapists.

Depending on what best suits the goals you have identified, we can deliver these services in your home, in the community or in our state-of-the-art Therapy Centre at Doncaster East.

Onemda's team of skilled Occupational Therapy professionals have the knowledge, expertise and experience to provide a specialised and tailored approach to suit the needs of each individual.
